

GOSEPT01-HD PTS DESK MIC WITH 8 WAY DIN

Clear-Tel noise cancelling desk microphone with Push-to-Signal switch is designed for use in 2-way radio systems and other similar environments. The microphone is uni-directional to help reduce the amount of background noise and a carbon equivalent circuit to work with 2-way radio systems. The coiled cable allows the desk microphone to be moved freely away from the system.

TECHNICAL SPECIFICATIONS

MICROPHONE TECHNOLOGY	UNI-DIRECTIONAL ELECTRET WITH CARBON EQUIVALENT CIRCUIT
FREQUENCY RESPONSE	SEE GRAPH BELOW
TEMPERATURE	-10 TO +50 DEGREES C
RELATED HUMIDITY	90%

FREQUENCY RESPONSE

MECHANICAL SPECIFICATIONS

GOOSENECK LENGTH	12"
BASE SIZE	4.5" X 1"
BASE MATERIAL	BLACK ALUMINIUM
SHAFT MATERIAL	8mm BLACK PAINTED BRASS AND STEEL FLEXIBLE TUBE
SWITCH	MOM PTS
CORD TYPE	BLACK 6 CORE COILED
CORD LENGTH	5M
CONNECTOR	8 WAY LOCKING DIN

APPROVALS AND COMPLIANCE

RoHS Compliant
CE Approved
